"Wert! Anwerne akangkeme anthurre arrantherre apetyeme mparntwe Desert Park – werne. Apmere nhenhe Arrernte angkentye mape-kenhe."

Hello! We are very happy you have come to the Alice Springs Desert Park. This place belongs to the Arrernte language.

"People wonder what it is that is so special here and it is because everything comes here. We connect to it, we're a part of it. Our Country is our home, and we know all the sites and all the features, our rocks, our trees, our hills. We come up with our Country. We come up with it and feel it so strongly." Mparntwe (Alice Springs) Custodians
