

**MUSEUM OF  
ALASKA  
TRANSPORTATION  
& INDUSTRY**

## THE MUSEUM

The Museum of Alaska Transportation & Industry is incorporated as a non-profit organization dedicated to the preservation of Alaska's transportation and industrial history for the educational and scientific benefit of current and future generations.

## YARD EXHIBITS

Seven acres of outdoor exhibits can be toured by following the footpaths. Included in this area are aircraft, farm implements, railroad cars, firetrucks, antique automobiles, fishing vessels and the Whitney Section House.

## TRAIN MUSEUM

On display inside three Alaska Railroad cars are many tools and photos from the early railroading days. Take the time to see it.

## "DON SHELDON" BUILDING

Named for famous Alaska bush pilot Don Sheldon. This 8,500 sq. ft. building contains a large collection of aviation photographs, aircraft and engines, vintage tractors, automobiles, 1921 American LaFrance firetruck, and much, much more!

## PICNIC AREA

Enjoy a picnic in the gazebo or at one of the many picnic tables set in the tree filled park.
