

Very impressive...with a rich history of arranged marriages, high society divorces and Americas Cup winning captains. The audio tour is very informative as you wander around in awe and wonder at how people could live like this!"

MARBLE HOUSE 1892 *National Historic Landmark*

Created by Alva Vanderbilt and Richard Morris Hunt and inspired by the Petit Trianon at Versailles, Marble House contains 500,000 cubic feet of marble. Intended as an ultimate statement of Gilded Age privilege, only a few years later it hosted Alva's "Votes for Women" rallies on the back lawn. Hear the words of Alva Vanderbilt, her daughter Consuelo and many more, brought to life in the award-winning audio tour.

See and hear how the Duke of Marlborough proposed to Consuelo Vanderbilt, his American princess.
