Museum

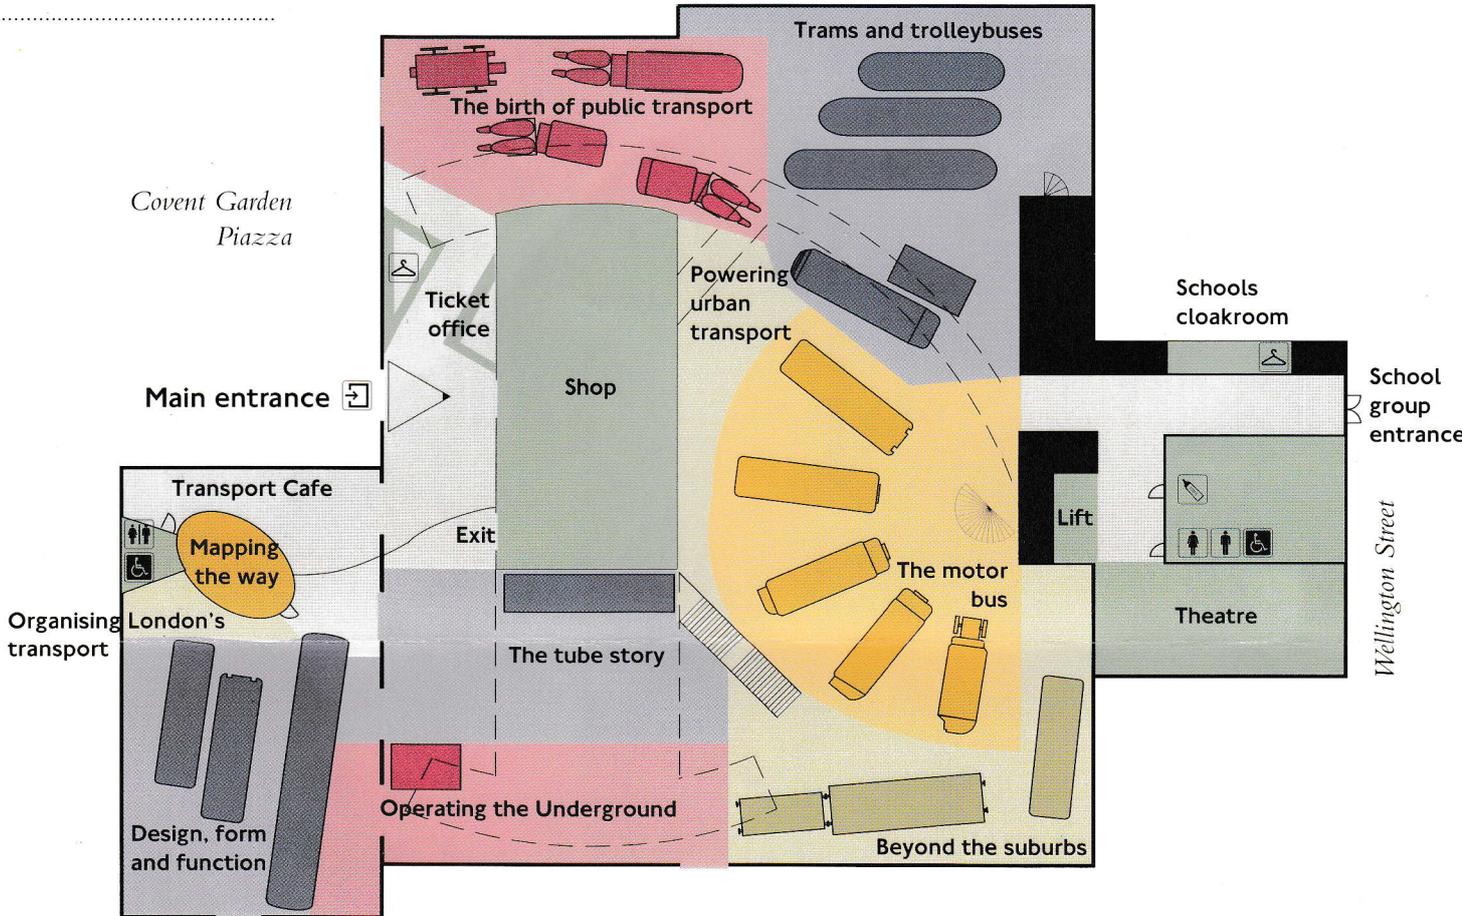

**TOP LEVEL**

**MID LEVEL**

**GROUND FLOOR**

**Today's events**

Details of today's events and of special exhibitions are available at the ticket office.

**Information centre**

For more information on the collections visit the Information centre on the top level.

**Touch-screen displays**

You'll find lots of extra information in the easy to use computers. Just touch the screen to find out more.

**Museum shop**

Shop for quality gifts and souvenirs - posters, cards, videos, books, models, t-shirts and more.

**Transport Cafe**

For light refreshments at a reasonable price visit our cafe overlooking Covent Garden Piazza.

The London Transport Museum tells the story of London's famous public transport system and its effect on life in the capital since 1800. The Museum is a non-profit, educational organisation, owned and operated by London Transport.

### **Open**

10.00 – 18.00 daily. Last admission 17.15.  
Closed 24, 25, 26 December.

### **Access**

a lift and ramps give wheelchair and pushchair users access throughout the Museum.

### **Education service**

offers advice to teachers, a range of educational materials and information on activities and workshops.

### **School and group visits**

visits from schools, colleges and other organisations are always welcome – call the School Visits Service for details of group rates and how to book.

### **Library**

available to researchers by appointment only.

### **Friends of the London Transport Museum**

join the Friends association and make a valuable contribution to the activities of the Museum.

### **Corporate hospitality**

ideally located in the heart of Theatreland, the Museum makes a unique venue for special evening events.

### **Photography**

hand held photography is permitted – no tripods.
